Staff Reveal

Randle Cassady

Randle directed our IL camp in 2017 and joined our corporate team this fall.

He will be directing our MA camp location in 2018 and has taken over the planning and preparation for the PA Program at all locations.

When Randle isn't at camp, he enjoys spending time with his wife, Katrina, and their two daughters, Natalie and Harley.

PA Perks

At all locations in 2018, PAs will have keys/cards for their dorm rooms!

PAs have a voice all year long! Thank you to the Senior PAs that met with us this fall as we began talking about changes to the program. We will continue to ask for your help and feedback through the year!

Program Changes

Each year we try to improve the quality of the PA experience. Check out our plans for helping you get the most out of camp!

PA 1.0: First year PAs will have PA workshop, assist in a workshop their second session, and have added responsibilities around camp.

PA 2.0 (Senior PA): Second and third year PAs assist both sessions, have a new PA workshop and lead PA 1.0s in projects around camp.

New for 2018

PA for a Day: The last Thursday of each session, senior campers shadow PAs to learn what it means to be a PA. This will be planned by current PAs, so start thinking now!

Coming in 2019

PA 3.0: Select third year PAs will be chosen to take on more responsibilities. This is the first step to a counselor role.

PA Abroad (4.0): For a very select group - after graduating from high school, travel to a different Emagination location for an independent study style experience!

Insider Info

After this issue, the PA Pipeline will only be sent to PAs who have accepted the invitation, so make sure your parents sign you up and you complete the PA Form!
